

What Makes Medi-Share 65+ Different?

Choosing quality health care after 65 is a big decision. Its important to understand what your health care needs are. So that when you choose Medicare Parts A & B you find an additional program that best suits your needs.

How Is Medi-Share 65+ Different From Other Secondary Options?

- ✓ Medi-Share 65+ members receive 24/7 Telehealth access at no additional cost!
- ✓ You can experience dental, vision, and hearing discounts with Medi-Share 65+.
- ✓ With Medi-Share 65+ you get a low monthly cost of \$99/month from age 65-74 and \$150 for 75 and older.
- ✓ Medi-Share 65+ members are not limited to a provider network.
- ✓ Medi-Share 65+ members have one low \$500 annual responsibility, before their eligible medical bills can be shared by the community.

Medi-Share 65+ members can seek the care they need when they need it. **No prior authorization required for all medical services.**
